

FuelGuard

Preventative Maintenance Program

RETAIL

FuelGuard's retail program is designed to ensure maximum flow at your dispensers with **ZERO** downtime.

PRODUCT	PROBLEMS	ADDITIVE	WHAT IT DOES
Diesel	Microbial Growth	Bellicide	Kills Microbes in Fuels and Storage Tanks
Diesel	Water Contamination	DFS Plus	Dissolves Free Water from Fuel
E-10	Water Contamination	DFS Plus	Dissolves Free Water from Fuel
E-10	Water Contamination	EB Demulsifier	Resolves Fuel-Water Emulsions to Allow Emulsified Water to Separate from Fuel

FuelGuard has partnered with Bell Performance Chemicals to offer industry-leading chemical solutions for our valued customers, including lab analysis, resulting in lower maintenance costs, lower liability and higher fuel quality. All Bell chemicals are EPA registered products.
